BEER MENU

BEERS ON TAP

Birra Moretti 200ml or 400ml - 4.8% alcohol / 6 or 11

Birra Moretti has always represented the real Italian spirit by being genuine, authentic, simple and by remaining faithful to its centuries-old tradition. In 1859 Luigi Moretti founded his beer and ice factory in Udine without expecting to one day have his product exported to over 40 countries. After 150 years of existence, Birra Moretti and its iconic label picturing a moustached man with a mugful of beer have become synonymous with Italian beer. Birra Moretti is a lager and its unmistakable balanced bitter taste is the result of a production process that uses only the best raw materials and has remained almost unchanged since the beginning.

Pairings

Moretti is a versatile beer, try it with your favourite pizza and enjoy the refreshing and flavoursome characteristics of a true Italian tap beer.
